

Terms and Conditions

Fee Commitment and Refund Policy

Students are required to pay the full course fees for the entire duration of the program.

MCC offers a 7-day full refund policy from the date of admission. Students who choose to withdraw within this period are entitled to a 100% refund of the fees paid.

After 7 days, all fees paid are non-refundable under any circumstances.

Enrollment and Conduct

MCC reserves the right to terminate a student's enrollment, with or without cause, at its sole discretion. Grounds for termination include, but are not limited to, irregular attendance, lack of participation, disruptive behavior, or breach of institute policies.

Mock Interviews and Internal Assessments

Students are required to actively participate in and pass mandatory mock interviews and assessments covering:

- Frontend Development
- Core Python
- Advanced Topics (Flask and Django)
- Agile-Based Live Project

Clearing these assessments is a prerequisite for becoming eligible for placement or internship support from MCC.

Performance Improvement Plan (PIP)

In case of poor or inconsistent performance, students may be placed under a Performance Improvement Plan (PIP).

Students must successfully complete the PIP to resume regular classes and continue in the program.

Placement Support (Not Guarantee)

MCC provides placement support — not a placement guarantee.

Students who meet all eligibility criteria, including successful completion of the course and mock interviews, will receive assistance in connecting with job or internship opportunities and interview calls.

Securing a job is ultimately the student's responsibility.

If a student fails to convert the opportunities provided by MCC (through interviews or tests), the institute is not obligated to continue offering further placement assistance.

Attendance and Participation

Maintaining a minimum of 90% attendance is mandatory. Failure to do so will result in cancellation of admission and disqualification from graduation, certificate issuance, and placement or internship support.

Exemptions may be granted for college final exams or emergency reasons, provided the student notifies the MCC team by email in advance.

Certificate Eligibility

MCC will not issue any certificate (course completion, internship, or otherwise) to students who fail to meet the minimum performance, attendance, or assessment criteria, regardless of program enrollment.

Marketing and Promotions Consent

By enrolling at MCC, students grant permission to the institute to use their name, photograph, designation, company name, salary, and related details for promotional purposes. This includes showcasing student success stories or placements on the website, social media, brochures, and other marketing materials.

Students also agree to provide a written and video review of their experience with MCC upon successful program completion, or when requested by the MCC team.

MCC will use this information responsibly and respectfully to highlight student achievements and the value of its training programs.
